JNTU College of Engineering
Kakinada

Dear Sir,

Sub : Campus-to-Community Program – Reg.

* * *

Campus-to-Community Program was identified as one of the differentiator in **“1000 days : Door to World Class University”** program. Most of the engineering colleges in our AP are situated in rural areas, if each college adopts one village where it was situated, then this program will become fruitful.

In this connection our college was starting CCP on the eve of **“UGADI”**. The aim of the program is to train the rural youth in and around villages (Nambur, Gollamudi, Pedakakni) in various events like DTP, Motor rewinding, House wiring and spoken English at free of cost.

This is for your kind notice and I hope you will forward it for information.

Principal
