Memorandum of Understanding (MoU)

Between

SAI TECHNOLOGY BUSINESS INCUBATOR FOUNDATION, INDIA

GOVIN HOLDINGS, SINGAPORE

&

JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY, KAKINADA (JNTUK)
KAKINADA, INDIA

Date: 23 October 2025

This Memorandum of Understanding ("MoU") is made and entered into as of 23 October 2025 by and between

- SAI Technology Business Incubator Foundation (GOVIN), Visakhapatnam
- Govin Holdings, Singapore
- and
- Jawaharlal Nehru Technological University, Kakinada (JNTUK),

aimed at collaboration between the organizations to collaborate on multiple areas of Innovation and Entrepreneurship.

SAI Technology Business Incubator Foundation is a Section 8 non-for-profit company registered in Andhra Pradesh and is in business Startup Innovation, Incubation, Biomedical Entrepreneurship and Investments globally, (First party, also known as STBIF), located in 50-40-8, Seethammadhara, Visakhapatnam.

Govin Holdings, is a Singapore-headquartered Knowledge based company focused on pharmaceuticals, Healthcare, Edtech and Strategic Investments, located in 56 Toh Tuck Rd, Signature Park, Singapore (Second party, also known as GOVIN)

and

Jawaharlal Nehru Technological University Kakinada, Kakinada, India is an Andhra Pradesh State Public University located in Kakinada (Third party, also known as JNTUK)

Purpose

This MoU sets forth the intentions of STBIF, GOVIN and JNTUK to collaborate on supporting innovation and entrepreneurship, with a primary focus on collaborating to facilitate international market entry and explore joint global opportunities.

Scope of Collaboration

The Parties agree to explore opportunities for collaboration and cooperation, leveraging each other's expertise and resources to achieve common goals. This MoU provides a framework for future discussions and the development of initiatives that support the objectives of both Parties.

1. Establish a **Startup Accelerator** at JNTU Kakinada that will be a launchpad for healthcare and deep-tech startups in their commercialization
2. Establish a **Skilling Academy** in Startup Entrepreneurship, Business Planning and Innovation management via on-line as well as in-person boot-camps
3. Constitute awards in the name of legendary scientist, **Dr.Yellapragada Subba Row Govin Entrepreneurship Merit (GEM) Award** for the two best innovators whose startups have grown to a commercial stage and started demonstrating a promising societal impact. Innovators with patents will also be considered for the award in the absence of eligible startup innovators. Each award will carry a cash prize of Rs 50,000/- and a citation.
4. Constitute awards in the name of **Smt. Govindaluri Sakuntala**. The award will be named as **"Sakuntala Meritorious Innovative Leadership Entrepreneur (SMILE)"** for the two best female innovators whose startups have grown to a commercial stage and started demonstrating a promising societal impact. Female innovators with patents will also be considered for the award in the absence of eligible startup innovators. Each award will carry a cash prize of Rs 50,000/- and a citation.

5. The selection of students for the awards will be based on recommendation by the committees formed upon mutual consent.
6. Establish strategic partnerships with Overseas Schools and Universities of excellence to foster Innovation and Entrepreneurship.
7. To carry out the collaboration activities as mentioned above, a separate MoU may be entered into, if necessary.
8. JNTUK will grant access to incubation space of 5000 sqft in phased manner for STBIF and GOVIN to operate and maintain the space without any encumbrances for the purpose of innovation, incubation and startup facilities for the Students of JNTUK to get trained and to accommodate the facilities provided by STBIF and GOVIN (1st & 2nd Parties) for Startup Accelerator.
9. The costs for operating and maintaining the Startup Accelerator will purely be the responsibility of STBIF and GOVIN.
10. The Startup Accelerator will be an interface between **industry and academia** and play a pivotal role in creating jobs as well as promoting the values of the institute.
11. The Startup Accelerator will be an interface between **various International Universities from Singapore and Europe** that will play pivotal role in promoting faculty research and student exchange programs of JNTUK.
12. The research publications and patents, if any from this Startup Accelerator, have to be in the name of tri-parties (or) as mutually acceptable conditions, along with contributors of the publications and patents
13. The expenditure for applying for Patents and any other Intellectual Property Rights have to be borne by tri-parties, upon mutual acceptance and concurrence.

Terms of Understanding

- This MoU is non-binding and does not constitute any legal agreement. It outlines the intentions of both parties to collaborate and does not create any enforceable rights or obligations to either party to this agreement.

Duration and Termination

- This MoU shall come into effect on the date of signing and remain in effect for **5 Years**, unless terminated earlier by either party upon **90 days** written notice.

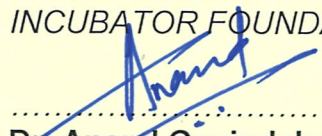

Confidentiality

- Both parties agree to maintain confidentiality of any proprietary or sensitive information shared during the course of the collaboration, unless required by law to disclose.

Amendments

- Any amendments to this MoU must be made in writing and signed by both parties.
