Agreement Between

**Jawaharlal Nehru Technological University Kakinada, (JNTUK) Kakinada —533003,
Andhra Pradesh — INDIA.**

AND

**Government General Hospital & Rangaraya Medical College, Kakinada, Andhra
Pradesh, India.**

The Government General Hospital, & Rangaraya Medical College and Jawaharlal Nehru Technological University Kakinada, agreed in the memorandum of understanding signed by the representatives of three institutions on 29.09.2012, regarding provisions for developing academic programmes based upon the principal of reciprocity by getting mutual benefit.

The School of health sciences and research at J.N.T.U.K, Kakinada commenced MS Sports Technology and Health sciences and MS Occupational Health & Safety Courses as degree programmes first time in India.

The Students of the sports Technology and Health Science of JNTUK are permitted to utilize the following departments and faculty during the course period for obtaining medical related skills. In this regard the school of Health sciences and research wise to use the below mentioned departments for their practical use.

- A) Department of Anatomy & Physiology
- B) Department of Orthopaedics
- C) Department of Physiotherapy
- D) Department of Surgery
- E) Department of Casualty & Emergency Medicine.

Therefore we request the principal Rangaraya Medical College and Superintendent Government General Hospital to look into this matter and consider our association where the three institutions will get benefit.

This Agreement is to become effective when the representatives of each institution sign below.
