

**MEMORANDUM OF UNDERSTANDING (MOU)
FOR THE DEVELOPMENT OF ACADEMIC COOPERATION**

Between

**JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY,
KAKINADA (JNTUK), INDIA**

AND

UNIVERSITY OF SILICON ANDHRA, CALIFORNIA, USA

(f) Conduct study tours, as mutually agreed in writing between the institution prior to commencement of this activity.

(g) Explore the possibility of starting Joint MS programme in Computer Science.

2. The two Educational Institutions will facilitate the exchange of graduate students. Such exchanges may take place for a period normally of one academic year (or at least one term or semester). The academic standing of such students shall be determined by the Host University. Exchange students will be accorded the rights and privileges of students in the host country in accordance with the regulations of the Host University relating to students and will be admitted under the terms and conditions relevant to the Host University. Accreditation for the academic work carried out by a graduate student during the period of study at the Host University will be at the discretion of the student's home University.

3. The institution will work to develop an articulation agreement between **UofSA and JNTUK**, so that students who graduate with a bachelor's degree from JNTU Kakinada may apply for admission to selected graduate degree programs at UofSA.

4. Admission to a specific department or course is subject only to a student being satisfactorily qualified for the chosen area of study and to the availability of resources in the period for which admission is sought.

5. The aim of the Memorandum of Understanding shall be to document the institution's common intentions to achieve a broad balance in the respective contributions and benefits of the collaboration, and the MOU shall be subject to periodic review by both Universities. **This MOU is not legally binding, and as such, it does not give rise to any legal liability.**

6. In the implementation of specific cooperative programs, **a written agreement covering all relevant aspects, including funding and the obligations to be undertaken by each institution, will be negotiated, mutually agreed, and formalized in writing**, prior to the commencement of the program.

7. This MOU will be in effect from the date as of which it has been signed duly by authorized representatives of both institutions. It will remain in effect until either institution terminates it. **A institution may terminate this MOU by providing a written notice of termination to the other institution that is signed by a duly authorized representative of the institution giving notice.** Any notice of termination shall specify a date of termination that is not less than three (3) months after the date of the notice.

Any amendments to this MOU must be in writing and signed duly by authorized representatives of both institutions.

The undersigned, being duly authorized representatives of the University for which they are signing, hereby sign this MOU.
