CIRCULAR

Sub: Estt – JNTUK – D R&D – Research Scholars of JNTUK - Admitted during 2015-16 and prior batches - Termination - Information - Re-registration - Extension of time- Intimation - Regarding

Ref: Review on the activities of the Directorate by Hon'ble Vice Chancellor, JNTUK on 05-03-2025

The Directorate of Research and Development JNTU Kakinada has consolidated the department wise and year wise list of students admitted during and prior to 2015-16 along with their progress in terms of clearing Pre PhD subjects, Satisfactory performance in Research reviews, Publications and payment of Tuition fee.

It has been observed that few research scholars in the list enclosed could not have required progress in their respective research work and no information has been given to the office about their chances of completion of the research activity. As per the details available from their individual folios, it is observed that the students could not present their required progress as per the guidelines and failed to clear Pre PhD subjects, Research Methodologies and attend RRM.s.

Vide reference cited, it has been suggested that the above students, if willing to continue they need to re-register submitting the details of the progress on date and with a request for extension of time by **clearing the dues on date on or before July 2025.**

Upon the receipt of the request for extension of time and fulfillment of the payment of due as on date, along with recommendation from the respective supervisor and timelines for completion of work and submission of the draft for adjudication. The students will be given one last opportunity of extension of time for completion of the research work by **July 2026**, and their registration deemed to have been cancelled if they do not comply to the circular.
